NOTICE TO HORSE AND MULE OWNERS.

You know the value of a good animal, and it should receive the best care possible. Dr. Semple, Veterinary Surgeon, makes a specialty of dentistry. A horse's teeth must be looked after and kept in good condition, so that the animal is able to masticate his food properly. The Doctor has his headquarters at Hooker's stables, where he will make examinations free of charge to ascertain condition of the mouth, he has also flying to prevent horses and cows being tortured with those an insect design or that will also cure mange; and condition powders to kill worms, etc., and a carbolic salve good for man and beast. See secured at Hooker's Livery Stables. 4t

A BOLD HOLDUP.

AN EXPLANATION!

The RED light, means, Look out! The GREEN light, means, There more coming.

So the RED and GREEN mean,

Look out! There is more coming! What is coming?

"Ask the man" AT THE ARCADIA DRUG May.

The boy stood on the burning deck

Why?

Because it was too hot to sit down.

The man did not wear Royal garments

Why?

Because he was too lazy to call on
